A setting as individual as the two of you

From an intimate gathering to a large family occasion, The Landmark Hotel offers a variety of romantic settings for your ceremony, wedding breakfast and evening reception.

The Maze Restaurant

Our conservatory restaurant overlooks our stunning hotel gardens and maze and provides a beautiful and elegant space for up to 80 guests for both a ceremony and wedding breakfast. The contemporary design allows little decoration but is equally beautiful fully dressed.

Mansion House

Within our 19th Century Mansion House with high ceilings and bay windows the Dargie Suite and foyer offer bags of history and character that can be used for your ceremony, drinks reception and wedding breakfast for up to 70 guests. The foyer boasts a stunning Latin inscribed fireplace and hand carved staircase ideal for your photographs.

Outdoor Ceremonies

Wedding ceremonies can take place outdoors during the summer months, this offers a unique twist and whilst it is dependent on our Scottish weather you can choose from our patio terrace or the landscaped gardens. The Maze is also a beautiful backdrop providing excellent photo opportunities.

The Landmark Suite

This modern and elegant suite is completely self-contained with its own entrance, foyer, private bar and toilets. It is the perfect setting for your evening reception for up to 120 guests.

Menus

Our talented team of chefs pride themselves in offering the highest quality dining experience. Our wedding packages include your choice of menu chosen from our menu selector enclosed. We will cater for any special dietary requirements ensuring everyone can enjoy their meal.

Room Decor

We will supply white table linen and napkins along with chair covers, sashes and table runners to match your wedding colours. Centre pieces can also be included, or you are more than welcome to source your own.

Cake Stand and knife

We can provide the use of a square or round cake stand and knife. We ask that you liaise with your wedding coordinator in advance of the big day regarding the delivery and set up of your wedding cake.
